APPENDIX

1.

NATION OF ISLAM

A source advised on January 12, 1970, the Nation of Islam (NOI), an organization for members of the black race only, had its origin in Detroit, Michigan, in the early 1930's. Headquarters is Muhammad's Temple Number 2, 5335 South Greenwood Avenue, Chicago, Illinois, which affords direction to numerous affiliate branches, commonly referred to as Muhammad's Temples or Mosques, located throughout the United States. The leader is ELIJAH MUHAMMAD, self-styled "Messenger of Allah" and the only divinely appointed leader of the black race in the United States, who controls all policies and programs.

MUHAMMAD's teachings stress Allah (God) selected him to lead the so-called Negro out of slavery in North America through establishment of an independent black nation in the United States; the white man is the "devil" and open enemy of the black man; black and white races must be separated; the white man, his Government and religion will be destroyed by Allah through the forces of nature in the "War of Armageddon," a war between Allah and the "devil." MUHAMMAD's teachings are spread through weekly radio broadcasts throughout the United States and through "Muhammad Speaks," the official NOI organ which is published weekly in Chicago and distributed to affiliate Mosques for use in weekly sermons and for distribution to the public.

MUHAMMAD and other NOI members have refused to comply with Selective Service Laws stating that they respect laws of the United States provided they do not conflict with NOI laws. They do not believe the Government should force them to participate in wars when they have nothing to gain.

Blacks Told to Back Miss Davis Despite Her Communist Links

A group of black poets, artists and writers has urged the black community not to deny Angela Davis "money, time and involvement" because of her Communist party affiliations.

The group, called Black People in Defense of Angela Yvonne Davis, issued a statement yesterday that said:

"We have a responsibility to know that she is being mistreated because she is black. And we have a clear responsibility to know that if she gives up her life, it is not a Communist life but a black life. We are asking black people to face the awful truth: that we are on the line."

The co-chairmen of the group are Nikki Giovanni, a poet and Chester Higgins Jr., a photographer.

Miss Davis, 26 years old and a former assistant professor of philosophy at the University of California at Los Angeles, was arrested here last week by the Federal Bureau of Investiga-

tion. She is now in the Women's House of Detention awaiting a Nov. 9 extradition hearing.

She was charged with unlawful flight to avoid prosecution on California charges of kidnapping and murder in connection with a shooting in a San Rafael courtroom in August in which four persons were killed.

The statement issued by the group was also signed by Sonia Sanchez, a poet; Maya Angelou, Harold McDougall, Peter Bailey, Phyllis Garland and George Goodman, all writers; Tom Feelings, an artist; Sandra Satterwhite, an editor, and Tom Cade, a writer and the editor of a recently published anthology, "Black Woman." Mr. Higgins recently published a book of photographs, also called "Black Woman."

Other signers were Barbara Crosby, Marilyn Darling and Richard Baldwin.
